

Structure protection efforts are ongoing for the communities of Eshom and Hartland.

As conditions permit, crews will progress with tactical firing operations within the Redwood Mountain Grove and north of Cabin Creek along Generals Highway.

Tactical firing operations continue on the northwest corner of the fire.

Firefighters on the eastern flank will continue securing the Giant Forest Grove while also supporting strategic firing operations to the north.

Firefighters on the west perimeter remain in the communities of Three Rivers and Ash Mountain as fire activity increases.

Firefighters continue indirect suppression tactics improving Mineral King Rd. Resources are being shifted to the community of Silver City and the Mineral King area for structure protection as the fire continues to move south and east.
