

Animas City Mountain Prescribed Burn

OPEN HOUSE

October 6, 2021 • 5pm to 7pm
Durango Recreation Center

Join the Bureau of Land Management at an Open House to get information about the prescribed burn planned on Animas City Mountain. The planned burn will reduce the risk of high-intensity wildfire, improve forest health and wildlife habitat.

The BLM Tres Rios Field Office has planned the prescribed burn for the spring or fall of 2022 and is contingent on ideal weather conditions occurring and having prescribed burns specialists and fire support personnel available.
