PRESS RELEASE UPDATE

05/10/2022

Effective at 3:30 P.M. on the Hermits Peak /Calf Canyon Fire, Colfax County Sheriff's Office in consultation with Colfax County Emergency Management is placing the following communities in **READY** Evacuation status:

- **Vietnam Memorial Area**
- **Taos Pines**
- **Village of Angel Fire**

The following communities have been moved to **SET** Status:

- **Black Lake**
- **Black Lake Resort**
- **Hidden Lake**

The status changes are necessary due to current fire behavior and predicted weather, verified by fire models that show significant potential for fire growth to the north. We want to stress that there is not an **immediate** threat and there are no fires in area. If the time comes that we have to evacuate we ask that everyone evacuate through Angel fire.

We want to stress that Ready Status does not mean you have to evacuate your homes now. Instead, it is a way of identifying communities that could potentially be impacted by future evacuation orders. A real simple explanation of the Ready, Set, Go means of evacuation notice is as follows. Again, we stress, there is no need to leave you homes just yet, instead, get prepared. If we need to escalate these evacuation orders, we will provide you with instructions on shelter locations and escape routes. Keep tuned to local Radio and social media. Thank you.

READY – Prepare Now Prepare for the hazards that can threaten your community. Meaning get prepared now just in case.
