

CA IMT 13 EXECUTIVE SUMMARY

Human Eco Recycling Services | 7/11 - 7/22

Washburn Recycle

Human Eco operated in two main locations for Team 13. Badger Pass Ski Resort ICP and Wawona Campground and Supply.

Recycling hubs were set up at both camps to collect, sort and process material into clean, recyclable streams.

Additionally, blue bags were handed out to fire fighters of the Washburn Fire to collect and return recyclable material.
