The Six Rivers Lightning Complex remains in unified command with California Interagency Incident Management Team 14, California Highway Patrol, Trinity County Sheriff, and Humboldt County Sheriff. The Six Rivers Lightning Complex is currently 27,408 acres with 80% containment and 1,694 personnel assigned to the incident.

### CURRENT SITUATION

On Monday firefighters continued to focus efforts in areas of the Ammon and Campbell fires with the greatest fire activity. During this time favorable weather conditions helped to keep fire intensity relatively low to moderate. The clear skies from less smoke also allowed aircraft to support ground operations beginning earlier in the day. After days of hard work another goal was achieved, more evacuation orders were downgraded to evacuated warnings at 5:00 pm Monday allowing residents to return home (details below).

On the **Ammon Fire**, control lines are holding as firefighters continue to monitor, strengthen, and mop up. Fire activity remains active in the northeast corner where fire suppression work continues to be aimed at increasing containment. The more active of the two fires is the **Campbell Fire** where a large portion of incident resources are committed to the northeast corner. Firefighters and heavy equipment, supported by aircraft, are engaged here to improve containment. The existing containment lines remain intact and the spot fire east of the fire perimeter has been contained.

Today, a heavy marine layer will subdue fire activity until it lifts. Operations will remain consistent with the previous several days; strengthening control lines, directly engaging the fire where safe to do so, and prioritizing the operations related to completing line along Lone Pine Ridge. Firefighters are working to identify and establish contingency lines utilizing control lines established during previous fires.

Please check <https://outlooks.airfire.org/outlook/65384a03> for air quality resources.

### CLOSURES

Due to a large presence of fire personnel and machinery working to build containment lines for the Ammon Fire, residents are asked to limit travel on Titlow Hill Road/Route 1 in zones HUM-E052 and HUM-E062 to essential traffic only. The following roads into evacuation zones have been closed.

Residents may still use these roads to travel out of evacuation order zones:

- Forest Route 7n15 at Six Rivers Forest Boundary
- Horse Linto Creek Road at Saddle Lane (Open to residents only)
- 6N06 Sandy Bar (Route 6)
- Titlow Hill Road (Route 1) at Horse Mountain Botanical Area

State Route 299 remains open to through traffic. Residents are encouraged to visit <http://quickmap.dot.ca.gov/> to check for state highway closures.

## **EVACUATION UPDATES**

For the latest evacuation information go to Humboldt County Office of Emergency Services (<https://humboldt.gov/2383/Current-Emergencies>) or Trinity County Office of Emergency Services (<https://www.trinitycounty.org/OES>). For an interactive map of evacuation zones visit: <https://community.zonehaven.com/>. To sign up for alerts: [www.humboldt.gov/alerts](http://www.humboldt.gov/alerts).

The **EVACUATION ORDERS** for Zones HUM-E063-B, HUM-E063-A, HUM-E077-C, and HUM-E077-B were downgraded to **EVACUATION WARNINGS** on August 22 at 5p.m. Residents who live in these zones may begin to return home with caution but should remain ready to evacuate again at a moment's notice. Be alert to outstanding dangers upon return, including debris in roadways, gas leaks and hot embers.

*Due to the reduction of evacuation orders, zone divisions with E063 and E077 have been reconsolidated to their original zone assignments: HUM-E063 and HUM-E077.*

**EVACUATION ORDERS** remain in effect for zones: HUM-E058 and HUM-E061-A.

**EVACUATION WARNINGS** remains in effect for zones: HUM-E032, HUM-E056, HUM-E057, HUM-E061-B, HUM-E062, HUM-E063, HUM-E064, HUM-E076-B, and HUM-E077.

An **EVACUATION WARNING** remains in effect for Campbell Ridge Road from Salyer Heights to Seeley McIntosh Road. Salyer area, including Galaxy Road, and the area of Ziegler Point Road/Forest Service Road 7N04 have been reduced to an Evacuation Warning.

## **ANIMAL EVACUATION CENTER**

Hoopa Rodeo Grounds  
1767 Pine Creek Rd., Hoopa, CA 95546
