

# Smoke Outlook

## Central Oregon Cedar Creek Fire

9/06 - 9/07

Issued by Wildland Fire Air Quality Response Program on September 06, 2022 at 09:17 AM PDT

### Special Statement

Red Flag Warning in effect for today for dry and very unstable conditions. 3 Day Smoke outlook available at: <https://outlooks.airfire.org/outlook/7f95b6c6?preview=true>

### Fire

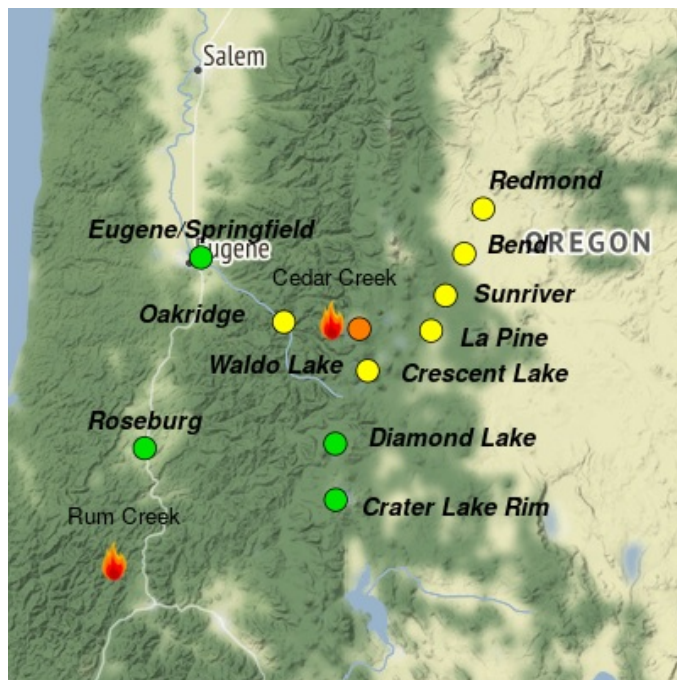

The Cedar Creek Fire in Central Oregon is 18,143 acres with 12% containment. The fire grew 518 acres yesterday. We are expecting active to very active fire activity today, with hot temperatures, lower relative humidity values and a very unstable atmosphere.

### Smoke

Areas east of the Cedar Creek fire will continue to have the greatest smoke impacts today with La Pine, Sunriver and Bend in the moderate range. Oakridge will have some increase in smoke impacts today with moderate to occasional USG. Easterly flow may bring increasing smoke to Eugene/Springfield early on Wednesday. Expect moderate, possible USG conditions in the morning, improving to moderate to good in the afternoon.

### Health and Safety Message

Do you know how to check your local air quality? Try out the map at [fire.airnow.gov](http://fire.airnow.gov) for current conditions. For real time information see [Fire.airnow.gov](http://fire.airnow.gov), [oakridgeair.org](http://oakridgeair.org), and [LRAPA - Today's Current Air Quality](http://LRAPA-Today's Current Air Quality).
