Fire

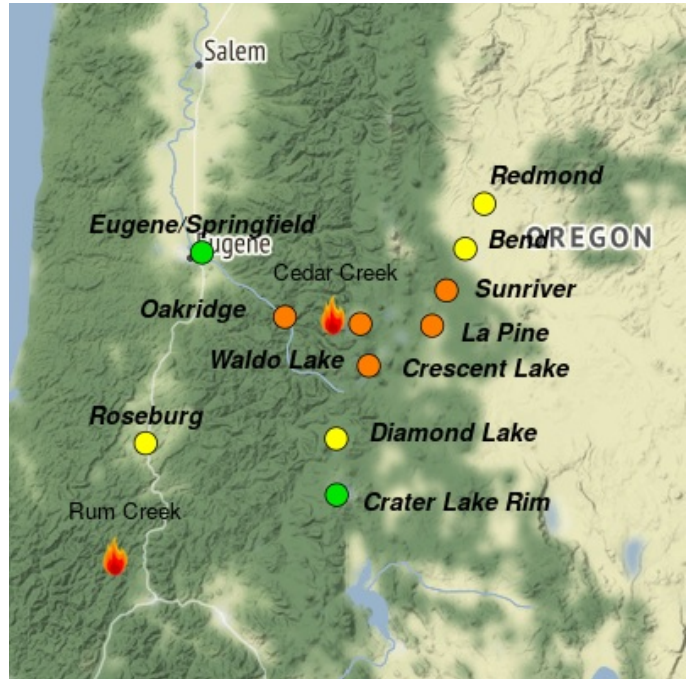

We are expecting active fire behavior today, with hot temperatures, low relative humidity values and an unstable atmosphere.

Smoke

Areas east of the Cedar Creek fire will continue to have the greatest smoke impacts with La Pine and Sunriver in the USG range. Redmond and Bend will have moderate impacts. Oakridge will continue to have smoke impacts today with USG to unhealthy this morning into the afternoon hours.

Health and Safety Message

Try to do what you can to reduce the amount of smoke you breathe - run your home and car air conditioning on recirculate and don't go outside when air quality is impaired. Do you know how to check your local air quality? Try out the map at fire.airnow.gov for current conditions. For real time information see Fire.airnow.gov, oakridgeair.org, and LRAPA - Today's Current Air Quality.
