Forest Service News Release

Public Affairs Officer: Jean Nelson-Dean, Deschutes National Forest, 541-280-3469

For Release: September 23, 2022

Forest closure for Cedar Creek Fire slightly reduced

Reduction opens areas in the northern portion up to Lava Lake Resort

Bend, Ore — Beginning today, the Deschutes National Forest has reduced the forest closure for the Cedar Creek fire. The reduction in the forest closure will allow recreation to occur at Lava Lake and Lava Lake Resort, which is in the northern portion of the closure.

Though the closure has been reduced, the campgrounds at Little Lava Lake and Lava Lake remain closed. Access to the resort is open.

The Forest Closure Map is attached to this press release and can be found on the Deschutes National Forest's website. If the public has questions, they may contact the Bend-Ft Rock Ranger District at 541-383-5300.
