**Monday, August 14, 2023, at 9:00 am**

---

**Location:** 17 miles east of Swan Lake, Montana

**Start Date:** 7/30/2023

**Cause:** Lightning

**Size:** 2,694 acres

**Containment:** 0%

**Total Personnel:** 70

**Engines:** 3

**Type 2 IA Crew:** 2

**Water Tender:** 1

**Heavy Equipment Task Force:** 1

**Note:** Additional personnel from the Spotted Bear District are “on loan” and assisting with fire related operations. Priority will be given for initial attack if any other fires on the Spotted Bear District are detected.

## SUMMARY

The Tin Soldier Complex is estimated at 2,694 acres in size and remains 0% contained. There was no IR flight last night therefore an update on acreage is not available at this time.

Acres burned as of the morning of Monday, August 14<sup>th</sup>.

- Bruce Fire – 1002 acres at 0% containment
- Kah Mtn Fire – 451 acres at 0% containment
- Sullivan Fire – 1,241 acres at 0% containment
- Con Kelly Fire – 0.25 acres – Out.

The Bruce, Kah and Sullivan fires are being managed with point source protection to protect values at risk. Values at risk include Stony Communications Site, hydro-electric plant, Heinrude residential community, commercial guest ranches and the Spotted Bear Ranger Station compound.

## PAST AND PLANNED ACTIONS

Today’s actions will include ongoing structure protection efforts for the Spotted Bear Ranch, Diamond R Ranch, Spotted Bear Ranger Station compound, and the Heinrude residential community. Mechanical equipment finished the fuel break to the north, south and west side of FS Road #895 adjacent to the Heinrude community. Wrapping of Spotted Bear Lookout was completed yesterday afternoon.

## EVACUATIONS, CLOSURES AND RESTRICTIONS

**Evacuation:** An evacuation has been issued by the Flathead County Sheriff for Heinrude community.

### **Restrictions/Closures:**

- Stage 2 fire restrictions are in effect as of August 5<sup>th</sup>.
- An area closure is in effect for the Hungry Horse Reservoir, the front country of the Spotted Bear district as well the Gorge Creek drainage within the Bob Marshall Wilderness area.
- A Temporary Flight Restriction is in place for air space over the Tin Soldier Complex to provide a safe environment for firefighting aircraft operating in the area. This includes the Spotted Bear and Meadow Creek Airstrips! Remember that temporary flight restrictions also apply to UAS or drones. **If you fly, we can't!**

### **WEATHER**

High pressure will strengthen over the region beginning today and continue through at least Thursday. Relative humidities will drop into the single digits, leading to more active fire behavior throughout the day and night. Temperatures are expected to increase, with valley high's 90-95F and ridge high's 78-83F. Critical fire weather is possible Wednesday and Thursday due to the combination of hot, dry, and windy conditions.
