Payette National Forest Planned Fuels Treatment Overview

Where we've been: 09/20/23 through 09/27/23

East Zone (Krassel Ranger District (RD) and the Frank Church Wilderness)

- Scouting units for prep needs, helping other zones as needed

West Zone (Council and Weiser RDs)

- Completed 150-200 acres in the Robinson project area
- Completed 800-900 acres in the Weasel project area

Central Zone (New Meadows and McCall RDs)

- Completed 1440 acres in the Brush project area
- Patrolling in the Goose project area
- Patrolling in the Cold project area

Where we're going: 09/28/23 through 09/04/23 (all statements below are subject to furlough)

NOTE: All units are subject to change due to weather and environmental conditions

East Zone (Krassel RD and the Frank Church Wilderness)

- Waiting for a window to burn.

West Zone (Council and Weiser RDs)

- 200 acres Hand ignitions in the Robinson project area/ numerous pile opportunities if the weather shifts

Central Zone (New Meadows and McCall RDs)

- 60 acres in the Goose project area, near Gordon Titus Parking (planned 9/28)
- 1200 acres in the Brush project area, North of New Meadows

SITPA

- Looking to start burning in Ponderosa State Park when conditions allow.
