Team 3 transfers command back to DFPA

UMPQUA, Ore.— Today Oregon Department of Forestry's Incident Management Team 3 will transfer command of the Tyee Ridge Complex back to Douglas Forest Protective Association. The complex will be managed by a Type 3 organization comprised of Douglas Forest Protective Association, Bureau of Land Management, Oregon Department of Forestry, and contract personnel.

The complex is 90% contained, with mop up activities continuing on the Cougar Creek and Lighthouse #3 fires. The Type 3 organization will also be backhauling fire hose and other equipment and completing repair activities across the complex.

Team 3 would like to thank the community and those impacted by the Tyee Ridge Complex for their support throughout the last few weeks.

This will be the final daily update for the Tyee Ridge Complex. Information for the complex will be distributed here, as needed:
