UFish Fire Size: **7,850 Acres**
Current Containment: **100%**
Elliot Fire Size: **13,875 Acres**
Current Containment: **74%**
Start Date: August 14, 2023
Cause: Lightning
Total personnel: 326

Air Quality: For information regarding smoke impacts and what you can do to protect yourself, visit the Siskiyou County Air Pollution Control District Fire and Smoke Information website at:
<https://bit.ly/Siskiyouairquality> or
<https://AirNow.gov>.

Temporary Flight Restriction (TFR): The flight restriction expires today at 6pm.

Happy Camp Complex Daily Update

Sunday, October 1, 2023

Weather: Today will be partly cloudy with max temperatures reaching 63-68 degrees with a warming trend expected this coming week. Wind from the northeast will be 6-9mph with gusts up to 30mph.

FIRE BEHAVIOR: Significant moisture over the fire area has reduced the ability for live and dead fuels to carry fire. The fire has not moved out of its perimeter in the last two weeks. Minimal fire behavior is expected.

UFISH FIRE: 7,850 acres at 100% containment.

ELLIOT FIRE: 13,875 acres at 74% containment.

Resources will monitor the Titus Creek and Swillup Creek drainages for any remaining heat or smoldering. Suppression repair is currently in progress. The incident will be turned over to forest management today at 6pm. This will be the final update for the Happy Camp Complex incident.

CLOSURES: The closure order has been reduced in the Klamath National Forest. For the current information and maps check:
<https://bit.ly/KlamathNFAalertsNotices>. As hunting season continues, please be aware of area closures within our national forests. Contact local Forest Service offices for specific information.

DELAYS: One-way traffic control is on Highway 96 at various locations, from 5 miles east of Seiad to Klamath River. <https://roads.dot.ca.gov/>
