Fire

The Quaker Run Fire is burning near the eastern boundary of Shenandoah National Park. Updates on fire growth can be found at <https://www.facebook.com/ForestryVA>. Information specific to fire impacts in the Park can be found at <https://www.nps.gov/shen/planyourvisit/quaker-run-fire-information.htm>.

Smoke

Expect GOOD air quality today and tomorrow. Rain today will clear smoke from the area and reduce fire activity. However, as fuels dry over the next few days, fuels may smolder or re-ignite, so expect that smoke may return.
