

Cottage Grove – Lane 1 Fires Update – Saturday, July 27, 2024

The Cottage Grove – Lane 1 consists of the following fires for a total of 7327 acres: Lane 1 (1617 acres), Clark 900 (3737 acres), Puddin (392 acres), Adam Mountain (380 acres), and Mineral (1201 acres). The Clark 900, Quartz, and Jack Saddle fires have been combined and are all now considered the Clark 900 fire. The Cottage Grove – Lane 1 fires are considered 0% contained. Percent containment represents sections of fire line that pose no escape risk without further action from firefighters. There are currently 667 personnel assigned to the incident.

Today fires experienced moderate intensity fire behavior. Crews on the Lane 1 fire continued to mop up and improve black line on the North, East and West sides of the fire. On the Clark 900, crews continued line improvement on the North side. Available resources and safety hazards continue to be challenges.

Closures: Due to the wildfires, the Umpqua National Forest has issued Forest Order No. 06-15-24-03 and Forest Order No. 06-15-02-24-01 that can be found at:

<https://www.fs.usda.gov/alerts/umpqua/alerts-notice>

The Bureau of Land Management has issued the following emergency closure for Lane County:

<https://blm.gov/announcement/bureau-land-management-issues-emergency-fire-closure-lane-county>

The following County roads are closed except to owners of private lands accessed from these roads: Brice Creek Road east of Umpqua National Forest Boundary, all of Sharps Creek Road.

Evacuations: A “Level 1” Evacuation notice has been issued by the Lane County Sheriff’s Department for areas east of Disston, starting at Brice Creek Road milepost 0.7 and following Brice Creek Road south, as well as Bohemia Mining District and Fairview Peak.

An evacuation map is available at: www.LaneCountyOR.gov/Lane1Fire

Temporary Flight Restriction (TFR): A “TFR” is in place at an altitude from the surface up to and including 8500 feet, daily (24 hours) until further notice. Complete information is available at https://tfr.faa.gov/save_pages/detail_4_4814.html . Flying a drone near or around a wildfire compromises the safety of pilots and interferes with firefighting efforts.
