Estimated size: 150 acres
Containment: 0%
Start Date/Time: 8/14/2024 at 5:00 PM
Area of Origin: West of Brinnon, North of Duckabush Rd. on Mt. Jupiter
Cause: Undetermined
Structures Damaged: None

Road Closures: Duckabush Road is closed allowing for residential access only.

Evacuation Levels: The 2500 Block and above of Duckabush Road is at a Level 2. Mt. Jupiter is at a Level 1 alert for the entire Duckabush area.

Level 1 "GET READY" Be aware of the danger in your area and start preparing for possible evacuation. Monitor local media and check on neighbors. If you do not already have an evacuation plan or a Go! kit, assemble these now. Conditions can change suddenly, and you may not receive a Level 2 "Be Set" warning before you are ordered to Level 3 "Go!" Prepare both the inside and outside of your home for fire. Leave if you feel unsafe -- do not wait for an official evacuation order.

Level 2 "GET SET" Be prepared for sudden or short-notice evacuation. People who need help or more time to evacuate -- such as people with disabilities, people with small children, people with medical conditions, and people with large animals -- should evacuate now. Ensure your evacuation plan checklist is complete and your Go! kit is in your vehicle. Stay informed and be aware of alerts from local law enforcement and fire departments. Always remember to leave if you feel unsafe, do not wait for an official evacuation order.

Level 3 "GO NOW" Go now! Danger in your area is current or imminent and you should evacuate immediately. Follow directions from law enforcement or fire departments and do not return home until officials have determined it is safe. Notification it is safe to return home will be given as soon as possible.

Update: Road 2620 Fire started Wednesday, August 14, 2024 at 5:00 PM. The fire is burning in a recently logged area with steep terrain and heavy fuels. There are two helicopters and two scoopers dropping water on the fire. Crews on the ground are working to place lines around the homes for protection.
