## Current Situation

### Situation Summary

---

**The Park Fire is being managed under Unified Command with CAL FIRE and the Lassen National Forest.**

Containment on the fire continues to increase. Overnight humidity recovery was moderate and southwest winds decreased.

Crews are continuing to deepen mop-up operations, remove hazardous trees, and patrol for spot fires to ensure the fire remains within its perimeter.

Warm and dry weather continues through Wednesday. Cooler conditions and an increasing chance for rain is expected Thursday.

Repopulations are ongoing and we ask that you stay cautious as crews will continue to be working in the fire area.
