Current Situation

Situation Summary

The Park Fire is being managed under Unified Command with CAL FIRE and the Lassen National Forest.

Warmer temperatures were observed throughout the day. There was no fire activity throughout the incident. Crews continue to mop up and identify fire weakened or dead trees for removal.

Fire Suppression repair has been delayed this operational period due to recent rainfall. A safety risk still remains in the fire area associated with heavy equipment operating near personnel for fire suppression repair.

- Road closure at Tehama County Road 202 (Plum Creek Road) from 1000-1700 hours near Ishi Conservation Camp to Ponderosa Way.

Damage Inspectors were able to survey lands that were previously inaccessible. Damage inspection is now complete and the number of destroyed structures is final.

Burned Area Emergency Response Group: USDA Forest Service BAER Team personnel are assessing needs on forest service lands.
