

# Smoke Outlook

## East Central Oregon

8/07 - 8/08

Issued by [Wildland Fire Air Quality Response Program](#) on August 07, 2024 at 07:46 AM PDT

### Special Statement

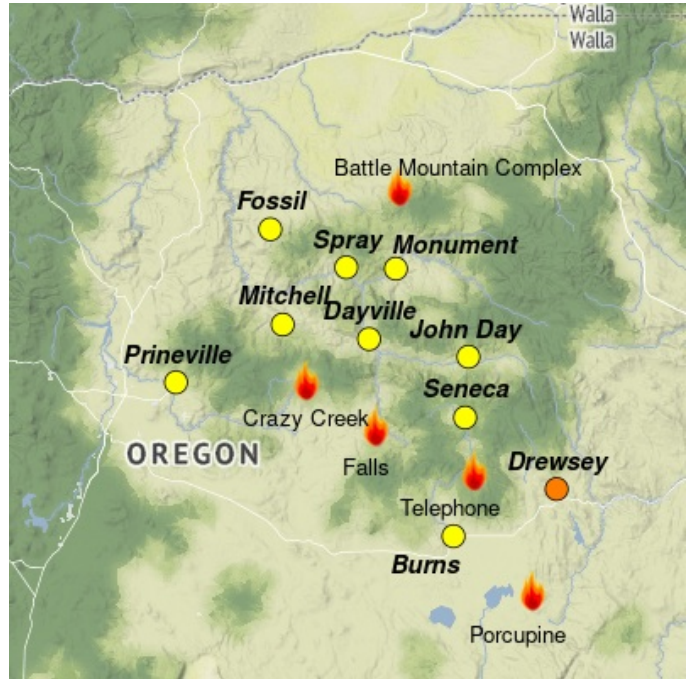

An Air Quality Alert has been issued for Grant, Harney, and Wheeler counties until later this afternoon.

### Fire

There are multiple fires affecting the forecast area. For more information on these incidents, please visit [Inciweb](#).

### Smoke

The weather pattern today is similar to what we observed yesterday, with sunny skies, light winds out of the west and northwest, and warm temperatures. Smoke from local and regional fires will persist over the area as will hazy skies. The forecast is for MODERATE smoke across the entire East Central Oregon region, Sites closest to the fires are likely to experience a brief period of UNHEALTHY FOR SENSITIVE GROUPS smoke this afternoon when that smoke mixes down from higher elevations. Smoky conditions will persist again tomorrow with MODERATE conditions expected.
