

Park Fire Incident Update

Evening of Thursday, August 8, 2024

For more information on the Park Fire, please visit: <https://inciweb.wildfire.gov/incident-information/calnf-park-fire>

Size: 428,194 acres with 34% containment | Personnel: 6,962

Lassen National Forest:

The #ParkFire experienced hot and dry weather conditions today over the area. Firefighters employed direct suppression tactics supported by aircraft wherever possible.

Overnight crews will utilize direct tactics to hold the fire within the perimeter and protect values at risk.

The fire continues to be fought with a strong and coordinated approach from all our partners.

The #ParkFire has burned 109,253 acres on the Lassen National Forest.

CAL FIRE:

Today was hot and dry across the fire area, with continued low humidity allowing the fire to remain very active. Upcoming weather is expecting some elevated humidity into the weekend. They are working in tough terrain, high heat and deep drainages combined with dry and receptive fuels. Firefighters continue to construct lines both direct at the fire line and indirectly to suppress the fire and keep local communities safe.

All evacuation orders and warnings have been lifted in Butte County, while some orders and warnings remain in Tehama, Shasta and Plumas counties.
