

Smoke Outlook

Southern Oregon

8/05 - 8/06

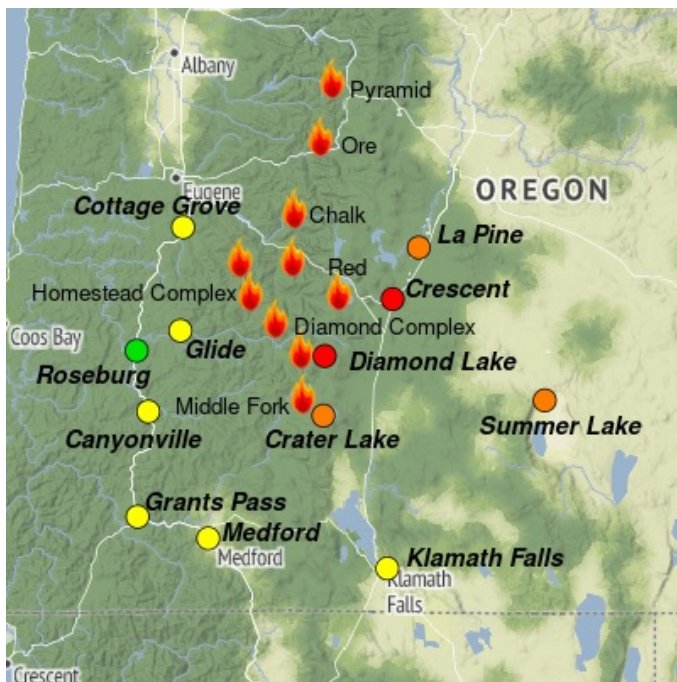

Issued by [Wildland Fire Air Quality Response Program](#) on August 05, 2024 at 08:26 AM PDT

Fire
 Numerous fires and fire complexes are ongoing within the Cascades. For the latest fire information, see <https://inciweb.wildfire.gov/>

Smoke
 Smoke has returned to communities east of the Cascades along the Highway 97 corridor with USG to UNHEALTHY conditions. Haze and at least MODERATE conditions expected along the I-5 corridor in the afternoon. Areas within the National Forest(s) near fires will continue to see UNHEALTHY or worse conditions, especially along Highway 138. Hazy conditions will be likely throughout the area due to local and regional fires.

Air Quality Advisories are in effect, see <https://www.oregonsmoke.org/> for details.

Additional smoke outlooks are being issued across Oregon, see <https://fire.airnow.gov/> for latest air quality information.
