

CURRENT EVACUATION NOTICES

Tulare County Fire Department has announced that the evacuation warnings for the following areas have been lifted effective Tuesday, Sept. 17, 2024.

Zones TLC-E094-B, TLC-E094-D and TLC-E094-C. The area includes east of River Hill, north of Case Mountain, west of Mitchell Ranch, and the community of Oak Grove. West of the National Park Boundary, north of the East Fork of the Kaweah River, east of Oak Grove. The area south of the East Fork of the Kaweah River, approximately a half mile southeast of Oak Grove, just below Mineral King Road, and follows the river east to the southern border of the Genasys zone. North of South Fork Drive, east of Skyline Drive (Salt Creek, fire control road), south of Mineral King Road, and west of the National Park Boundary.

Please refer to the Genasys website for a more detailed area description: protect.genasys.com.
