

## Line Fire Fact Sheet

27 September 2024

### San Bernardino National Forest

<b>Fire Status</b>		
Acres: 39,299	Containment: 83%	
<b>Firefighting Resources</b>		
Engines: 50	Crews: 23	Water Tenders: 12
Dozers: 23	Helicopters: 5	Other: 37
Total Personnel: 1,131		
Structures Damaged: 4	Structures Destroyed: 1	
Firefighter Injuries: 4		

#### Current Situation:

Yesterday, the Line Fire actively burned within containment lines in Bear Creek. The fire burned up this very steep drainage to the strategically placed indirect containment lines. It was this burning vegetation that produced the smoke yesterday afternoon. The fire remains within the containment lines.

The fire grew by a few additional acres in the Santa Ana river drainage with roll-outs and small runs upslope. This area is well staffed with firefighters.

Temperatures are expected to remain the same as yesterday, with the highs ranging from the mid 70's to the mid 80's. Relatively humidity will be in the 15-25% range with winds gusting around 15 MPH in the afternoon.

California Complex Incident Management Team 11 is now managing the fire for the San Bernardino National Forest.

Highway 330 remains closed due to fire damage.
