**\*\*THIS WILL BE THE FINAL DAILY UPDATE FOR THE BRIDGE FIRE\*\***

**CURRENT SITUATION:** Hot, dry weather continues today and will likely cause some unburned pockets of fuel to flare up. When this happens, smoke may be visible in the fire interior. Firefighters will continue mopping up, investigating smoke, and extinguishing isolated heat sources. Hazardous trees will also be removed to improve public and crew safety.

A Forest Closure Order is in effect for portions of the Angeles National Forest. Some recreation areas are closed to public use. The Bridge Fire area forest closure order is available at Angeles National Forest offices and online at: <https://www.fs.usda.gov/angeles>.

Damage inspection teams completed their inspections. Residents affected by the Bridge Fire can find information on the following websites:
