Issued: 07:05 PDT 10/26/24

Interagency Wildland Fire Air Quality Response Program

FIRE

The **Shoe Fire** fire is currently estimated at 5127 acres and is 52% contained. Fire activity for the **Shoe Fire** fire is expected to remain active.

SMOKE

The Shoe Fire continues interior smoldering. Early light N-NE winds will push any smoke down drainages S-SW until transport winds in the early afternoon move smoke N-NE throughout the day. Big Bend should still experience GOOD AQI today despite winds moving any smoke towards its location NE of the fire. Expect mostly clear conditions today at all monitored locations with only Silverthorn experiencing morning MODERATE until the early AM inversion lifts late morning and wind direction changes.

Oak Run Mostly GOOD today

Bella Vista GOOD AQI expected throughout the day

Redding Clear conditions today

Big Bend GOOD conditions despite SW transport winds moving minimal smoke over area

Montgomery Creek GOOD AQI today

Silverthorn Early AM MODERATE expected with afternoon clearing into GOOD

AIR QUALITY INDEX

	Hazardous (H)
	Very Unhealthy (VU)
	Unhealthy (U)
