

Smoke Outlook

San Bernardino Mountains -Line Fire

10/09 - 10/10

Issued by Wildland Fire Air Quality Response Program on October 09, 2024 at 07:25 AM PDT

Fire

The Line Fire is 43,978 acres and 93% contained. Firefighters are working hard to keep the fire in its current footprint. Temperatures are cooler again today with a slight increase in wind from yesterday. Any visible smoke will be from the North and East sides of the fire.

Smoke

Big Bear and Running Springs will experience GOOD PM2.5 Air Quality (AQ). There is a small potential for short periods of MODERATE in Big Bear. Angelus Oaks will have GOOD AQ in the morning/early afternoon with brief periods of MODERATE late afternoon/evening. Highland, San Bernardino, and Victorville will be in MODERATE AQ from background pollution, no smoke impacts from the Line Fire. Yucaipa will be in mostly GOOD AQ with periods of MODERATE. Terrain-driven winds may transport some smoke downslope in the evenings and overnight, resulting in a little visible haze for Highland and Yucaipa.
