

Rail Ridge Fire October 19, 2024

Fire acres: 176,601 | Total Personnel: 516 | Percent Containment: 90%

The shaded fuel break at FS Road 3850 is expected to be complete by end of shift today.

To date, firefighters have built 22 miles of handline, 85 miles of dozer line, 48 miles of other fireline, and have used 99 miles of road as containment line to protect the values at risk.

Fire behavior will be minimal until sufficient drying occurs. Primary fire behavior characteristics include smoldering ground fuels with very limited creeping and possibly some flare-ups

Please remain out of closed areas for your safety and the safety of the firefighters. Fire managers are meeting daily to assess the closure areas and to discuss the upcoming hunting seasons.
