GARDEN FIRE CLOSURE #04-13-24-025 TERMINATED OCTOBER 12, 2024

The Central Idaho Dispatch Zone is at **HIGH** Fire Danger

Fire behavior has moderated on the Garden Fire and the risk of the fire spotting across the Salmon River has been reduced. With the changed weather and fire behavior, the Salmon-Challis National Forest has terminated the Garden Fire Closure, Order Number: 04-13-24-025.

The following description of #04-13-24-025 is now open:

DESCRIBED AREA, ROADS AND TRAILS (now open):

Beginning at the junction of Salmon River Road 030 and Spring Creek Road 038 and following Spring Creek Road 038 to its junction with Colson Creek-State Line Road 123, then following Colson Creek-State Line Road 123 to its junction with Long Tom Road 166, the following Long Tom Road 166 to Long Tom Lookout, then following the ridgeline south to Long Tom Picnic Area, then following the Salmon River Road 030 back to its junction with Spring Creek Road 038.

Corn Lake Road 064, East Fork of Spring Creek Road 042, and Cadagan area are also closed.

The forest is asking visitors to be aware of the **HIGH** fire danger for the Salmon-Challis National Forest. Ensure your campfire is dead out. If it is too hot to touch, it is too hot to leave! One Less Spark Means One Less Wildfire.
