Current Situation:

Yesterday, firefighters made great progress on the Line Fire overcoming high heat and steep terrain to keep the fire in its current footprint. Night flying helicopters are being utilized to extinguish heat both along the fire perimeter as well as extinguishing burning fuels in the interior. Today, crews will continue to monitor and patrol along the Highway 330 corridor on the western flank of the fire. Fire crews have been inserted to go direct along the fire's edge with the assistance of water dropping helicopters along Siberia Creek. On the eastern flank of the fire, firefighters will continue to mop up, strengthen and improve containment lines.

A Community Meeting has been scheduled at the Big Bear Performing Arts Center at 1:00 p.m. on Saturday, October 5, 2024. The address is 39707 Big Bear Blvd, Big Bear Lake, CA. 92315.

The closure orders for the Forest remain in place.
