- Public Line: (626) 662-0120
- Media Line: (323) 881-2450

Location: Lake Hughes Road, Castaic

Start Date: January 24, 2025

Acres Burned: 10,425

Containment: 79%

Personnel: 1,725

Cause: Under Investigation

Current Situation: Firefighters charged forward and improved the control lines in addition to tactically patrolling neighborhoods to steadfastly protect structures and residents.

Shifting winds meant firefighters had to remain vigilant against the potential spread of the fire in any direction. Bravely facing these challenging conditions, resolute firefighters increased the fire's containment to 79%. Night crews will continue the charge, working to keep the fire within its current perimeter and preparing for potential hazards such as localized flooding and debris flows due to rain.

The Los Angeles Sheriff's Department exited unified command as their vital role in keeping the community safe was relieved when evacuation orders were lifted allowing all residents to return to their homes. In light of the astonishing speed in which repopulating occurred, the Red Cross has closed their evacuation center for this fire.

Pending unforeseen changes, this will be the final evening update for the Hughes Fire. In addition, the phone lines will now be open from 8:00 a.m. to 8:00 p.m.
