Public Information

**Black Swamp
NCNCF-250245
0510 Day**

950 acres at 05/06/25 @ 2345

0 0.25 0.5 1 1.5 2 Miles

1:90,000 | 5/9/2025 0929

NAD 1983 2011 Datum, LatLong Grid

The map displays the Black Swamp National Conservation Field (NCNCF) area, specifically section 250245. A red shaded region indicates the wildfire perimeter, which is located near the intersection of West Road and Seaborn. A hatched area represents the closure zone, extending from the perimeter towards the northeast. The map includes various geographical features such as Catfish Lake, Great Lake, Long Lake, and several creeks including Brice Creek, Horse Pen Branch, Briery Branch, Middle Little, and Wolf Swamp. Roads shown include Georgia Pacific Road, Sheep Ridge Lane, Third, Second, Doe Lane, Moccasin Lane, Seaborn, West Road, Belangin, Holston Hunter, E. Fork Wishbone, Hunters Creek, Sand Road, Hill Field, Collins Road, Loop Point, Cow Pond, and Jumping Run. The map also identifies surrounding areas like Catfish Lake Farm, Sheep Ridge Wild., Pond Pine Wild., and Pocos Wild. A legend in the bottom right corner defines the symbols for Roads, Closure Area, and Wildfire Perimeter. A scale bar and north arrow are provided in the top left corner.
