

# SUNSET FIRE

## **ROADS IN “GO” EVACUATION ZONE**

*At this level, you need to evacuate the area immediately due to an imminent life threat. Once a GO order is given, evacuate, don't wait. Make sure you have all important documents, medications, etc and leave the area. Traveling in heavy smoke is extremely dangerous. If sensible, turn on any sprinklers in your green zone. Make sure all doors and windows are closed. Turn on exterior lights and leave them on. Drive with headlights on. Drive safely and be aware of heavier traffic. Watch out for numerous emergency services vehicles and personnel in the area. Be alert for road closures.*
