## SMOKE

Overall GOOD conditions today for most. Winds from the southwest will bring a return of some smoke and MODERATE air quality to the areas of Salina, Richfield and Marysvale this afternoon.

Overnight, as winds calm, smoke will sink into the Marysvale and Junction areas, perhaps even into Beaver, allowing for occasional MODERATE conditions. Similar conditions are expected on Tuesday into Tuesday night.

Expect a warming and drying trend through the end of the week. This may result in increased fire activity and smoke production as we approach the holiday weekend.

**Salina** Overall GOOD air quality with periods of MODERATE in the afternoon.

**Richfield** GOOD to MODERATE air quality expected.

**Koosharem** Overall GOOD air quality with periods of MODERATE in the afternoon.
