SMOKE

Smoke has settled into Beaver and areas west of the fire this morning with up to VERY UNHEALTHY air quality. Conditions will begin improving by late morning with air quality becoming GOOD once again this afternoon. Look for a near-repeat with smoke settling into the area again tonight into Wednesday morning with up to UNHEALTHY conditions. Marysville and Junction will both see primarily MODERATE air quality but can expect periods of at air quality that is UNHEALTHY FOR SENSITIVE GROUPS, with Junction even looking at potential UNHEALTHY conditions Wednesday morning. Richfield, Salina, and Koosharem should continue to see GOOD to MODERATE air quality through Wednesday.

A warming and drying trend continues into the holiday weekend. This may result in increased fire activity and smoke production in the extended.
